Copperhead is a registered trademark of Council Tool Co. Copperhead Tools are all forged by Council Tool from American made special bar quality steel. Heads are ground or machined, carefully heat-treated, painted and polished and have black baked-on finish. Copperhead Tools are fitted with fiberglass handles which are ivory colored and which are bonded to head with epoxy. Copperheads are the very finest in every respect, are professional grade tools, designed and made for the individual user who wants and appreciates the very best.

COUNCIL TOOL COMPANY

has been manufacturing tools for over 100 years—since 1886 to be exact. During these years its products have earned a reputation for high quality and dependability. Its products are made by fourth generation Carolina forgers and craftsmen who are proud of their products and skills. Council Tool products will be found under one of the following brands or labels.

COUNCIL—This label always stands for professional quality. Used on sledges, engineer and drill hammers, bank blades, bush hooks, bars and forestry tools.

COPPERHEAD®—Professional quality heads fitted with fiberglass handles.

RAILSPLITTER®—Popular priced axes and mauls. Broad range of weights and patterns.

WEEDAX®—Professional quality heavy-duty weed and brush cutter.

RAWHIDE®—Good value, economical, promotionally priced. Some Rawhide tools are imported. All imports clearly marked with country of origin. Handled tools, fitted with American hickory.

Term • Freight • Conditions

Conditions of Acceptance All orders placed with us are accepted upon condition that they will be billed at prices and terms prevailing at time of shipment. Prices and terms are subject to change without notice. All agreements are contingent upon strikes, accidents, or other causes which are beyond our control. Unless otherwise agreed to in writing by an officer of this company, and not withstanding any different or additional terms which may be stated on a purchase order form, this sheet will constitute the entire terms and obligation of our acceptance of any purchase order.

Payment Terms 2% for cash 10 days E.O.M. Due net 30 days. Past due charges are 1 1/4% per month on the unpaid balance.

Freight Policy On shipments of 500 lbs. and over to distributor's stocks, freight will be allowed on the basis of lowest published rate. Shipments of less than 500 lbs. are f.o.b. Tacoma Warehouse with no freight allowance.

Additions and Cancellations We will be glad to add to or adjust quantities on orders if changes are made at least 5 days before our scheduled shipping date. Cancellations must be confirmed in writing to be valid.

Shipping Point Shipments are by Motor Freight from Tacoma, Wash. Many customers request certain carriers for original pick-up and final delivery. We will comply if possible but reserve the right to select our own carriers since we pay freight.

Minimum Quantities Distributor net prices are based on standard packaging. Orders to distributor's stocks will be increased to standard pack, if standard pack is not ordered. There will be a broken carton charge of \$10.00 per carton if non-standard pack is specified. Broken carton charges apply to all shipments.

Returned Goods Returned goods will not be accepted without prior written authorization. When authorized, returned goods must be shipped freight prepaid, and will carry a restocking charge of 15%.

Shortages or Damages All shipments are inspected before leaving our plant. Please check shipment carefully upon receipt and note any shortages on B/L at the time of delivery. Discrepancies or damage which occurred in transit are the carrier's responsibility and related claims should be made promptly to the carrier. DEDUCTIONS from invoices for shortage or damage claims will not be allowed.

Service Charge There will be a \$15.00 charge for all orders \$150.00 or less.
